STANDARD 1 OVERVIEW

Institutional Effectiveness: There are nine sections in standard one, each with a different focus and “must” statements of expectations.

- **1.1** – Mission statement
- **1.2** – Planning for assessment & improvement of educational quality and program effectiveness*
- **1.3** – Humanistic culture and environment*
- **1.4** – Policies & practices to promote diversity of students, faculty & staff
- **1.5** – Financial resources to support mission, goals & objectives

* Most commonly-cited for lack of full compliance among other schools

STANDARD 1 OVERVIEW

Institutional Effectiveness, continued:

- **1.6** – Ensure no outside, undue influence on programs
- **1.7** – Institutional responsibility for curriculum, student and faculty selection and administrative matters
- **1.8** – Component of accredited higher educational institution
- **1.9** – Interaction with other components of higher education, education and/or delivery systems
